

**NOTIFICATION OF OUTSIDE COMPETITION**

In accordance with NCAA Bylaw 14.7.1.1 (Outside Competition Exception) it is permissible for a student-athlete to compete outside of the institution’s declared playing and practice season as a member of an outside team in any non-collegiate, amateur competition during any official vacation period published in the institution’s catalog. In addition, NCAA Bylaw 14.7.1.5 (Competition as Individual/Not Representing Institution) states that it is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete’s sport, as long as the student-athlete represents only himself or herself in the competition and does not engage in such competition as a member of or receive expenses from an outside team.
